

Fleetrun — solution for fleet maintenance management

Mariya Starikova

Product manager, Labs Group

Idea behind Fleetrun

Wialon

is identified as a
sophisticated fleet
management system

Agenda

Fleetrunk opportunities

Target audience

Core concepts

Maintenance Module in Wialon vs. Fleetrunk

Functionality

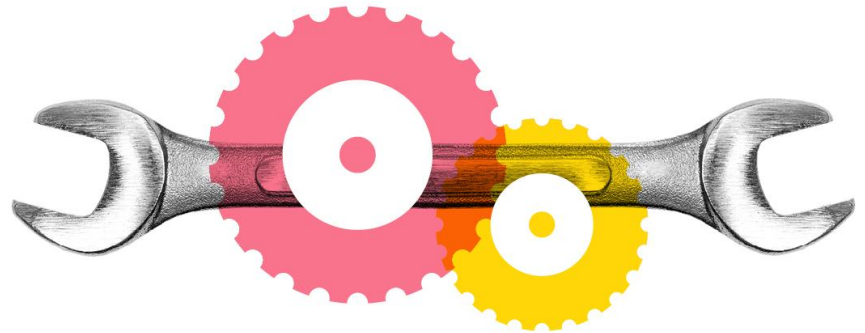

Fleetr **opportunities**

Solution opportunities

- ◆ monitoring of maintenance intervals approaching
- ◆ notifications of service necessity
- ◆ labour and parts costs registering in services
- ◆ extensive reports

**Target
audience**

Target audience

- ◆ small and medium size fleets
- ◆ 50 – 70 vehicles
- ◆ do not control maintenance and operational costs

For whom

Integrator

Fleet manager

Fleet owner

Core concepts

What is 'fleet' in Fleetrun?

Container

for fleet units, assigned intervals
and services

All information

about maintenance and
operational costs is stored in
one place

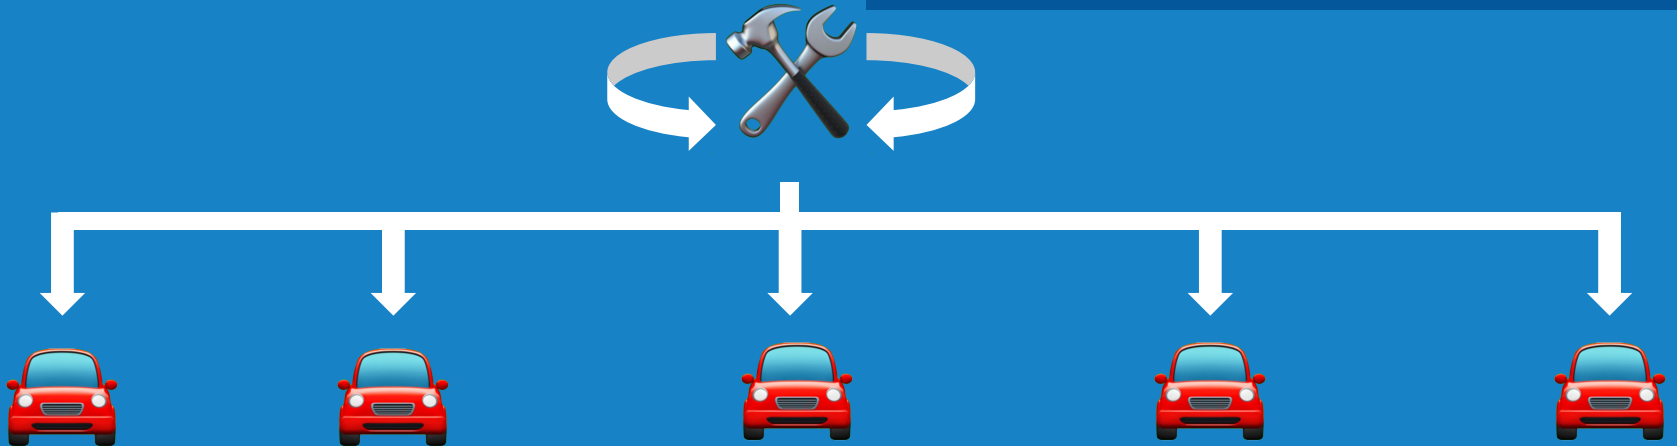

What is 'interval' in Fleetrun?

Type of service

towards fleet maintenance

Example

Interval "Oil change" can be registered for several units

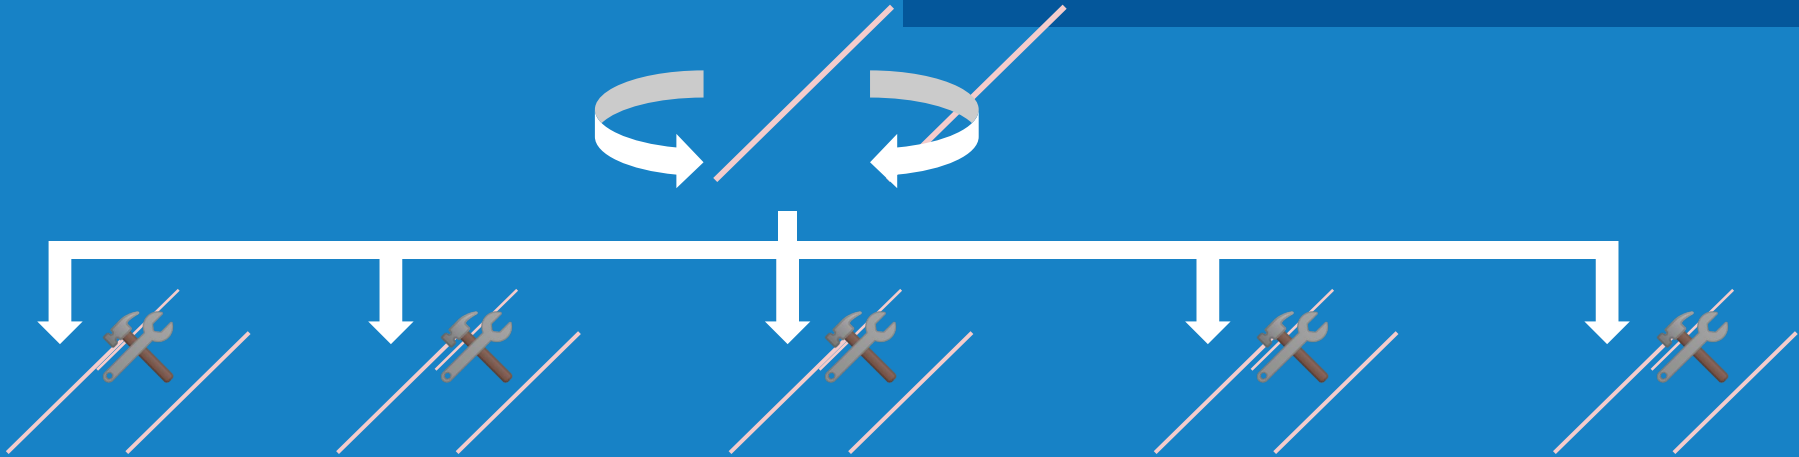

What is 'service' in Fleetrun?

One-time

event of unit maintenance,
repair, insurance renewal

Example

for each unit in interval "Oil
change" a separate service is
created

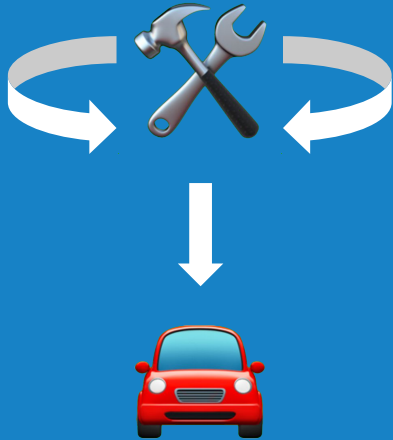

Maintenance Module in Wialon **vs Fleetrun**

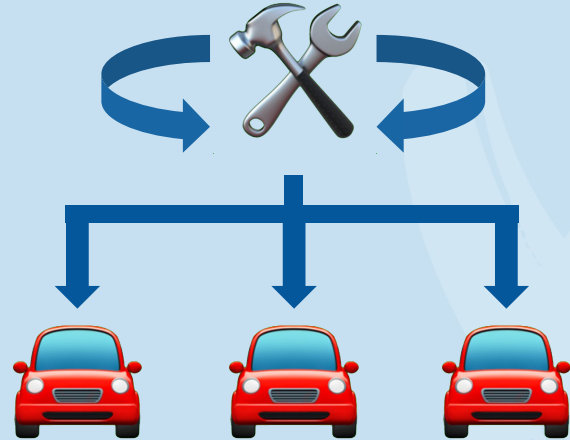

Maintenance Module

One interval > Unit unit

Fleetrun

Unit interval > Many units

Maintenance Module

Manual service registration

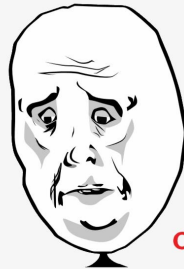

Please, fill in everything,
everyday

and it

will last

forever

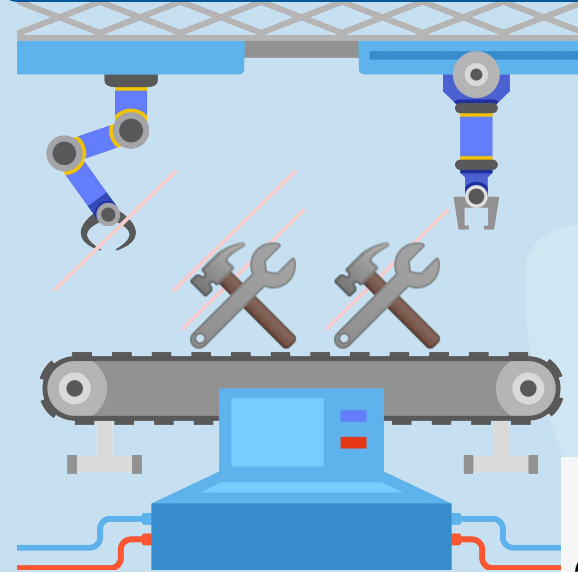

never end

Okay

A hand is holding a light blue rectangular sign with the text "What Else" written in a yellow, casual script font. The sign is attached to a thin wooden stick.

What Else

- ◆ line items library
 - ◆ export to .csv
 - ◆ data migration from Wialon
 - ◆ data storage period - 5 years
- 
- A large, faint blue 'X' mark is visible in the bottom right corner of the slide.

Developing Fleetrun together
